Team (Everyll ft. Epic Remix)

Iggy Azalea

Iggz

Look, turn me up, break the knob right
I get dressed like it's prom night
I feed them lemons in the limelight
They say I'm full, lost my appetite?

(Hell nah) Keep on pushing like a dealer (say what?)

(Hell nah) Keep on shooting, Reggie Miller (say what?)

(Hell nah) Go and give 'em all the finger

You gotta set the score right, call it Hans Zimmer

My time wherever I go

I took a chance like I'm from Chicago

Hundred-plus in that Murcielago

'Bout to go ape, hey, yurn it to the cangoBaby, I got me

Baby, I got me

And that's all I need

Yeah, that's all I need

Baby, I got me

Only friend, by me

Playing on my team

Is someone likeMe, baby, no way

Watch me while I do my thing

Oh, baby, no way

Are you fucking with the team?Outchea, pronto

Hit 'em with the dose, that's a combo

Running through ya block, no fumble

'Bout to kill 'em all, where the shovel?

See, I gotta go for mine

Ben-ja-jammin', that money on my mind

Jamaican club, I'm stayin' on the grind

Dutty wine, don't step on this land mine

Ven aqui, andele

You tryna take flight, do what I say

Hundred-plus volts on the highway

Watch a new Kardash', call me KylieBaby, I got me

Baby, I got me

And that's all I need

Yeah, that's all I need

Baby, I got me

Only friend, by me

Playing on my team
Is someone likeMe, baby, no way
Watch me while I do my thing
Oh, baby, no way

Are you fucking with the team? Are you workin' with some cash here, cash here?

Hundred-thousand on the dash yeah, dash yeah

All the ladies shake it fast yeah, fast yeah

Now vogue on that ass, yep, yeah we in hereAre you workin' with some cash here, cash here?

Hundred-thousand on the dash yeah, dash yeah

All the ladies shake it fast yeah, fast yeah

Now vogue on that ass, yep, yeah we in hereBaby, I got me

Baby, I got me

And that's all I need

Yeah, that's all I need

Baby, I got me

Only friend, by me

Playing on my team

Is someone likeMe, baby, no way

Watch me while I do my thing

Oh, baby, no way

Are you fucking with the team?(Team, team)

(Team, team)

Are you fuckin' with the team?

(Are you fuckin' with the team?)

(Are you fuckin' with the team?)
