

Disco Infiltrator (Mixmag edit)

LCD Soundsystem

But all I know, is all I know
Is the disco infiltrator fo sho
But all I see, is all I see
But still you want it owwww
Stop, you cant believe, what you believe
Or the disco infiltrator will leave
Oh stupid me, oh stupid me
But still we want it owwww
Stop, we cant shake the waist
Stop, you've got to shake the waist
Stop, what you've been told, is what your told
Is the disco infiltrator gone cold
Oh stupid you, I bet' told the truth
But you don't want it no!
Stop, you make me frown your little town
You run the disco infiltrator on down
Oh stupid you, oh stupid me
And we deserve it owwww
Stop, you can shake the waist
Stop, you've got to shake the waist
Bare in mind, we all fall behind, from time to time
Bare in mind, we all fall behind, from time to time
But all I know, is all I know
Is the disco infiltrator fo sho
But all I see, is all I see
But still you want it owwww
Stop, you cant believe, what you believe
Or the disco infiltrator will leave
Oh stupid me, oh stupid me
But still we want it owwww
Stop, you cant shake ya waist
Stop, you've got to shake ya waist
Stop, you cant shake ya waist
Stop, you've got to shake ya waist
Bare in mind, we all fall behind, from time to time
Bare in mind, we all fall behind, from time to time
Bare in mind, we all fall behind, from time to time
Bare in mind, we all fall behind, from time to time
Bare in mind, we all fall behind, from time to time
