

# Dance Naked

[John Mellencamp](#)

I want you to dance naked  
So I can see you  
I'd like to get to know you  
You don't have to act naughtySpin round and round  
Spin round and round and roundI want you to dance naked  
I promise I won't touch you  
I promise to tell no one, no  
I want you to dance nakedSpin round and round  
Spin round and round and round  
Spin round and roundI want you to dance naked  
If you like I'll join you  
I want to enjoy your body  
I want to hear all your secretsI want to know if you like me  
As much as I like you  
I want you to dance naked  
But only if you want toSpin round and round  
Spin round and round and round  
Spin round and roundI want you to dance naked  
So I can see you  
I'd like to get to know you  
But only if you want toSpin round and round  
Spin round and round and round  
Spin round and round  
Spin round and round and round  
I want you to dance naked
