

Love to Turn You On

Vic Demise

(David Derrick, Jared Tuten, Kyle Ellison, Sims Ellison)

Way down low as hard as it gets

Honey, I ain't stoppin' so why'd you quit

Jolt me back to consciousness, I'd rather be dead

There's nothin' left for me, honey I ain't dead yet

[CHORUS]

Stay with me a little while

I'm alone, I'm an only child

I'm dancin' with death

Runnin' wild 'til I'm outta breath

Love, love to turn you on

I'd love to, love to turn you on

Gonna build a land outta Lego

Gonna skid off a railroad track

Been livin' in a fantasy

Honey, now I'm comin' back

[CHORUS]

Stay with me, stay with me

I'm alone, I'm a lonely child

Stay with me a little while

I'm alone, I'm a lonely child

[CHORUS]
