Ke\$ha

DanceBack door cracked  
We don't need a key  
We get in for free  
No VIP sleazeDrink that Kool-Aid  
Follow my lead  
Now you're one of us  
You're coming with meIt's time to kill the lights  
And shut the DJ down  
(This place about to)  
Tonight we're taking over  
No one's getting outThis place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about toNow what?  
We're taking control  
We get what we want  
We do what you don'tDirt and glitter cover the floor  
We're pretty and sick  
We're young and we're boredIt's time to lose your mind  
And let the crazy out  
(This place about to)  
Tonight we're taking names  
'Cause we don't mess aroundThis place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow  
This place about toGo insane, go insane  
Throw some glitter, make it rain on 'em  
Let me see them hands  
Let me, let me see them handsGo insane, go insane  
Throw some glitter, make it rain on 'em  
Let me see them hands  
Let me, let me see them handsWe're taking over  
(Blow)  
Get use to it, okay  
(Blow)This place about to blow, blow  
This place about to blow, blow  
This place about to blow, blow

This place about to blow, blow  
This place about to blow
