Amaze Me

Vashawn Mitchell

little things
that you do,
that we shared,
me and you,
air I breathe
you supply
me with such
wonder stuff
just one touch
is all
I need
It feels like I'm falling into sun,
even on stormy days in every way
It feels like we're one
as we watch the years go by
feels like we're still flying high
baby you amaze me,
you still knock me,
of my feet
and who would have
ever guessed
it would last
through it all,
the reason I believe
can't you see?
you still amaze me
you still amaze me
funny how
everytime,
that I'm down
you pick me up,
you stay
by me
when people ask:
"what's the deal?
why you still so in love?"
and maybe
it's meant to be

feels like I'm falling into sun
even when life is like,
a fight
feels like we've won
as we watch the years go by
feels like we're still flying high
baby you amaze me,
you still knock me,
of my feet
and who would have
ever guess
it will last
through it all,
the reason I believe
can't you see?
you still amaze me
still amaze me
still amaze me
It feels like we're falling into sun,
even on stormy days in every way
feels like we're one
as we watch the years go by
feels like we're still flying high
baby you amaze me,
you still knock me,
of my feet
and who would I
ever guessed
it will last
through it all,
the reason I believe
can't you see?
you still amaze me
you still amaze me
you still amaze me
you still amaze me
you still amaze me
