Nothing But You

Kim Ferron

I think i'll go for a walk
Maybe out in the rain
Maybe there'll be tears rolling down my face
And i'd feel the pain
Maybe think about something
Maybe think about youYeah you can't hurt me now
You know you can't hurt me now
You can't hold me downAnd i've got plenty of time
Time to figure it out
Time to think about you and me
Whatever that was all about
Got nothing to prove
Got nothing to say
No i'm guessing I never thought you
were good for me anyway
Got nothing to lose
Nothing but youI think i'll go for a ride
Til my memory fades
Roll down the windows and glide
Down 75 to the Everglades
Maybe light up a joint
And take a walk on the moonYeah you can't reach me now
You know you can't touch me now
You can't hold me downAnd i've got plenty of time
Time to figure it out
Time to think about you and me
Whatever that was all about
Got nothing to prove
Got nothing to say
No i'm guessing I never thought you
were good for me anyway
Got nothing to lose
Nothing but you
Nothing but youWhy do you have to be so unkind?
Why do I have to be so inclined
To loose my mind?Well i've got plenty of time
Time to figure it out
Time to think about you and me
Whatever that was all about

Got nothing to prove
Got nothing to say
No i'm guessing I never thought you
were good for me anyway
Got nothing to lose
Nothing but you
Oooo, nothing but you
Yeah, n-n-nothing
