

# The Reaper

## Grave Digger

Welcome to the evil's nightmare  
See the demons dancing round  
Waiting for the reaper's rising  
Looking out for Satan's crowdThe grave is open, a digger's smile  
Please welcome the deadLook behind you; he stands behind you  
The reaper shall return  
Look reside you; walks beside you  
The reaper has returnedTonight the reaper's party is open  
Get entrance, get the trance  
Forget about the words of warning  
Forget about the smell of death
