Cool Off

ScholarMan

1st Verse

The illest yes I been this / my status mind your business / the hot emcee thatâ€™s in this / witness lyrical fitness / for instance / I rip this / I live this / I give this / known for hot lines / the truth never omitted / Iâ€™m great yes admit it / fire lyrics acidic / all with a message behind it / the truth Iâ€™ve been it / bring it / you can get it / I been there yes I did it / frontinâ€™ in your throwback and oversized fitted / you a fake Iâ€™m authentic / you were hot for a minute / bu Iâ€™m a be around forever / Iâ€™m not a gimmick / Iâ€™m real to the bone / organic on microphones / ScholarMan zone / real leaders will take the throne

CHORUS X2

Take the time to just cool off
Get the mood off
All them negative vibes they gone move off
Lay back,
Relax and think back
Real hip-hop, Iâ€™m gone bring that

2nd Verse

I mutilate emcees / Iâ€™m known for victories / I waited patiently / for the game to come and see / Iâ€™m true skills perfected / leadership elected / the game is saturated / watered down / Iâ€™m a skeptic / never microscopic / this game Iâ€™m here to rock it / keep the wheels moving / Iâ€™m cruising / cant nothing stop it / path revolution / I blast off in Houston / with a Hi-Tek / The Blast / Iâ€™m not shooting / but I am aiming / for my freedom / this not for fame and / Iâ€™m here to free the game from this negative arrangement

CHORUS X2

Take the time to just cool off
Get the mood off
All them negative vibes they gone move off
Lay back,
Relax and think back
Real hip-hop, Iâ€™m gone bring that

3rd Verse

I sit up under low light / trying to get my flow right / thinking about the next LP / budget my dough right / get my message down / never will I mess around / one of my missions in this life / to be the best around / to be a great father / stay real / or donâ€™t bother / if you a two-face snake, fake / then donâ€™t holler / its about the revolutio

/ about bringing change / hip-hop will never die as long as I am in the game / known for spitting flames /â€•cheffingâ€• these beats up / spread the message to the youth / â€œwisenâ€• these streets up / we gotta walk differe plan, prioritize / the essence of my people yes I glorify

CHORUS X6

Take the time to just cool off
Get the mood off
All them negative vibes they gone move off
Lay back,
Relax, think back
Real hip-hop, Iâ€™m gone bring that
