Mr. Airplane Man

Howlin' Wolf

Mr. Airplane man, will you fly down to Jackson for me
Mr. Airplane man, will you fly to Jackson for me
I want you fly to my baby, and give her this here message for me
Ahhoooo, ahhoooo, ahhhoooo, ahhhoooo
My baby not at home, you didn't worry about knockin' on her door
My baby not at home, you didn't worry about knockin' on her door
Ahhoooo, ahhoooo, ahhhoooo
She might be visitin', at the next door neighbor's you know
If you don't find my baby, come on back to Chicago to me
If you don't find my baby, come on to Chicago to me
Ahhoooo, ahhoooo, ahhhoooo, come on back to me
