

# I'll Be Rain

## Ozark Henry

it's not like anything crazy  
it's not like anything real  
to sit by your side  
to talk in disguise about love  
or whatever it is that we're thinking of  
right here  
right here  
it's not like anything crazy  
it's not like anything real  
the state that we're in  
this sharing of sin, all for love  
and whatever it is that made us need this  
right here  
right here  
i'll be rain, baby  
i'll be rain,  
if you want me to rain, baby  
i'll be rain,  
if you want me to be rain, baby  
can't you see?  
It's not like anything crazy  
well it feels like a walk on the moon  
the state that we're in  
this sharing of sin, all for love  
and whatever it is that made us need this  
right here  
right here  
i'll be rain, baby  
i'll be rain  
if you want me to rain, baby  
i'll be rain  
if you want me to be rain, baby  
can't you see?  
whatever happens i will carry you through  
whatever happens i will be there in blue  
i live only, i live only, i live only for you it's not like anything ... can't you see?
