Good Life

Onerepublic

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night, night turns to whatever we want
We're young enough to say
Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
I say, "Oh, got this feeling that you can't fight"
Like this city is on fire tonight
This could really be a good life, a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado
Sometimes there's airplanes I can' t jump out
Sometimes there's bullshit that don't work now
We are God of stories, but please tell me
What there is to complain about?
When you're happy like a fool, let it take you over
When everything is out you gotta take it in
Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life

I say, oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good life, a good, good life
Oh, a good, good life, yeah
Hopelessly
I feel like there might be something that I'll miss
Hopelessly
I feel like the window closes oh so quick
Hopelessly
I'm taking a mental picture of you now
'Cause hopelessly

The hope is we have so much to feel good about
Oh, this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
I say, "Oh, got this feeling that you can't fight"
Like this city is on fire tonight
This could really be a good life, a good, good life
Oh yeah, good, good life, good life, oh, this is
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado
Sometimes there's airplanes I can' t jump out
Sometimes there's bullshit that don't work now
We are God of stories but please tell me
What there is to complain about?
