

Oh, Tonight

Josh Abbott Band

Verse 1:

I grab your hand and you say "wait."
I say "no girl it's way too late."
We've been playing games for weeks,
now I'm ready to play for keeps.

Chorus:

Oh, tonight, we're gonna set the world on fire.
I'm gonna set aside my pride.
Not gonna be the one to say "goodbye,"
Neither am I! Oh, tonight.

Verse 2:

So go on kiss me on the mouth.
You know you want to; you should've done it by now.
Girl you don't know how long I've tried,
been fighting feelings deep inside.

Bridge:

So tell me what you want me to do.
Oh, it's too late baby I've already fallen in love with you.
