

Those Final Feet

Cowboy Junkies

Place my body on the funeral pyre,
Cut it loose to float downstream
Leave it frozen on a mountain top,
Suspend it high to be picked clean You said never to grow old,
But you forgot to tell me how
You said never to grow old
And then you sank your teeth into those final feet Last night I dreamt of owls at my window
I knew that time was winding down
Turned to tell you of my premonition,
Changed my mind and lay back down You said never to grow old,
But you forgot to tell me how
You said never to grow old
And then you sank your teeth into those final feet No sense wasting the time you got,
You got to walk down every road
No sense pretending that you're what you're not,
When you got to shoulder every load You said never to grow old,
But you forgot to tell me how
You said never to grow old
And then you sank your teeth into those final feet Cut it loose, cut it loose, cut it loose You said never to grow
old,
But you forgot to tell me how
You said never to grow old
And then you sank your teeth into those final feet
