# Lost It All

## Pillar

I ruled the world.
With these hands I shook the heavens to the ground,
I laid the guns to rest.
I held the key to the kingdom
Lions Guarding castle walls,
hail the king of death
Then I lost it all
Dead and broken
My back's against the wall
Cut me open
I'm just trying to breathe
Just trying to figure it out
because i built these walls
to watch them crumble down,
And said
Then I lost it all
and, Who can save me now?
I stood above, another war
another jewel upon the crown
I was the fear of man
But I was blind, I couldn't see
The world there right in front of me
But now I can

yeah
Cause I lost it all
Dead and broken
My back's against the wall
Cut me open
I'm just trying to breathe
Just trying to figure it out
because i built these walls
to watch them crumbling down,
I said
Then I lost it all
and, Who can save me now?
I believe that we all fall down sometimes, oh ohh oh ohhhh
Can't you see that we all fall down sometimes? oh ohh oh ohhhh
I believe that we all fall down sometimes, oh ohh oh ohhhh

yeah
Can't you see that we all fall down sometimes? oh ohh oh ohhhh
(yeah, we all fall down!)
yeah
I believe that we all fall down sometimes
yeah
