

Beggin - Original Version

Madcon

Oh

Put your loving hand out, baby
I'm beggin'

[Chorus]

Beggin', beggin' you
Put your loving hand out baby
Beggin', beggin' you
Put your loving hand out darling

Riding high, when I was king
Played it hard and fast, cause I had everything
Walked away, won me then
But easy come and easy go
And it would end

So why anytime I bleed, you let me go
Anytime I feed you get me know
Anytime I see you let me know
But, I plan and see just let me go

I'm on my knees when I'm (beggin'g)
Cause I don't want to lose (you)
I got my arms on spread
And I hope that my heart gets fed, matter of fact girl I'm beggin'

[Chorus]

I need you, (yeah) to understand
Tried so hard
To be your man
The kind of man you want in the end
Only then can I begin to live again

An empty shell
I used to be
Shadow of my life
Was hangin' over me

A broken man

That I don't know
Won't even stand the devils dance
To win my soul

Why we chewing, why we chasing
Why the bottom, why the basement
Why we got good shit don't embrace it
Why the feel for the need to replace me
Your the wrong way track from the good
I want to paint in a picture telling where we could be at
Like a heart in the best way should
You can give it the away, you had it and you took the pay
But I keep walking on, keep opening doors
Keep hoping for that the door is yours
Keep also home, cause I don't want to live in a broken home, girl I am beggin'

[Chorus]

I'm fighting hard
To hold my own
Just can't make it
All alone (all alone)

I'm holding on
I can't fall back
I'm just a calm
'Bout to fade to black

And I can't come home
You call and I can't come home
You call you can't come home
You call and I can't come home
You call [Echoes out]

[Chorus: x2]
