

# There's A Heartache Following Me

[Jim Reeves](#)

Sometimes they ask me if I'm really happy now  
I say, "Sure, I never loved her anyhow"  
But inside I long for you and the way it used to be  
I look around and there's a heartache followin' me  
I always say that I'm really glad you're gone  
I even act like I never cared at all  
But your memory lingers on and I'm never really free

I look around and there's a heartache followin' me  
I pawned my ring and everything that tied me to the past  
I say, "I never loved her, never meant for it to last"  
But I know it's just a game and the loser's always me  
I look around and there's a heartache followin' me
