Swallow

Oomph!

So don't you rescue me
I'm locked in the black of my mind
Help me please
So don't get stuck on me
My fuck up is keepin' me blind
Save me pleaseTossin' and turnin'
You know 'bout this yearnin'
This feeling
You've locked deep insideSo swallow your frown
My love
And follow me down
My loveSo swallow your frown
My love
And follow me down
My loveSo don't you rescue me
I still feel the thorn in my side
Help me please
So don't you set me free
No chance for a turn of the tide
Save me pleaseTossin' and turnin'
You know 'bout this yearnin'
This feeling
You've locked deep insideSo swallow your frown
My love
And follow me down
My loveSo swallow your frown
My love
And follow me down
My loveTossin' and turnin'
You know 'bout this burnin'
This fever
You cannot deniedSo swallow your frown
My love
And follow me down
DownSo swallow your frown
My love
And follow me down
DownSo swallow your frown
My love

And follow me down
My loveSo swallow your frown
My love
And follow me down
My loveFollow me down
Follow me down
Down
