

# Shake It Out

## Glee Cast

Regrets collect like old friends  
Here to relive your darkest moments  
I can see no way, I can see no way  
And all of the ghouls come out to play

Every demon wants his pound of flesh  
But I like to keep some things to myself  
I like to keep my issues drawn  
It's always darkest before the dawn

And I've been a fool and I've been blind  
I can never leave the past behind  
I can see no way, I can see no way

I'm always dragging that horse around  
Our love is past, you're such a mournful sound  
Tonight I'm gonna bury that horse in the ground  
So I like to keep my issues drawn  
But it's always darkest before the dawn

Shake it out, shake it out  
Shake it out, shake it out, oh  
Shake it out, shake it out  
Shake it out, shake it out, oh  
And it's hard to dance with the devil on your back  
So shake him off, oh

And I am done with my graceless heart  
So tonight I'm gonna cut it out and then restart  
'Cause I like to keep my issues drawn  
It's always darkest before the dawn

Shake it out, shake it out  
Shake it out, shake it out, oh  
Shake it out, shake it out  
Shake it out, shake it out, oh  
And it's hard to dance with the devil on your back  
So shake him off, oh

And it's hard to dance with the devil on your back

And given half a chance, would I take any of it back  
It's a fine romance, but it's left me so undone  
It's always darkest before the dawn

And I'm damned if I do, and I'm damned if I don't  
So here's the drinks in the dark at the end of my row  
And I'm ready to suffer, and I'm ready to hope  
It's a shot in the dark and right at my throat

Looking for heaven, found the devil in me  
Looking for heaven, found the devil in me  
But what the hell, I'm going to let it happen to me

Shake it out, shake it out  
Shake it out, shake it out, oh  
Shake it out, shake it out  
Shake it out, shake it out, oh  
And it's hard to dance with the devil on your back  
So shake him off, oh  
Shake it off

Shake it out, shake it out  
Shake it out, shake it out, oh  
Shake it out, shake it out  
Shake it out, shake it out, oh  
And it's hard to dance with the devil on your back  
So shake him off, oh

Shake it out, shake it out  
Shake it out, shake it out, oh  
Shake it out, shake it out  
Shake it out, shake it out, oh  
And it's hard to dance with the devil on your back  
So shake him off, oh
