

Just A Matter Of Time

Randy Rogers Band

Saw you again last night
I caught you catchin' my eye
I love to stare at you Through the smoke and lights
Well, I can see that I
See that I just wanna hold you
I just wanna know you
I just wanna spend the night wrapped up in you But it's all, it's all
Just a matter of time
It's all, it's all
Just a matter of time Don't care how long this takes
'Cause baby, I can't wait, I can't wait for you
To hold me, to know me
I just wanna spend the night wrapped up in you But it's all, it's all
Just a matter of time
But it's all, it's all
Just a matter of time You're gonna wake up and find
It's just a matter of time
Until, until you are mine 'Cause it's all, it's all
Just a matter of time
It's all, it's all
Just a matter of time It's all, it's all
Just a matter of time Saw you again last night
