# Rise And Fight

## Caliban

What do you expect from life
If you just watch and wait?
What do you expect from life?You sit there in your rocking chair
Complaining and cursing about everythingFor you
For usIt's up to you, it's up to us
To bring a change, to start a fightFor you, for us
I will rise before we die
For you, for us
I will fight to be satisfiedYou dieI will rise
I will fightWe are the world, we are the force
Together we can win the fight
We all see the news, we all feel the fear
But we do nothing against itWake up and rise for what you want
For what you wish, together we can break freeIt's up to you, it's up to us
To bring a change, to start a fightFor you, for us
I will rise before we die
For you, for us
I will fight to be satisfiedI will rise
