

Judas

Depeche Mode

Is simplicity best
Or simply the easiest
The narrowest path
Is always the holiest
So walk on barefoot for me
Suffer som misery
If you want my love
If you want my loveMan will survive
The harshest conditions
And stay alive
Through difficult decisions
So make up you mind for me
Walk the line for me
If you want my love
If you want my loveIdle talk
And hollow promises
Cheating Judases
Doubting Thomases
Don't just stand there and
shout it
Do something about it
You can fulfil
Your wildest ambitions
And I'm sure you will
Lose your inhibitions
So open yourself for me
Risk your health for me
If you want my love
If you want my love
If you want my love
If you want my love
