

Old Dirt Farmer

The Sleepy Jackson

Old dirt farmer, varsity baseball player
A Texas nomad and a fisherman
I lost my mind, it was blown in the wind
And I did all of this for you I'd sleep in the Winter
Have fun in the Summer
Tonight it's gone
Won't you stand by the plan?
Won't you stand by the man? I'd sleep in the Winter
Have fun in the Summer
Tonight it's gone
Won't you stand by the plan?
Won't you stand by the man?
