

# The Final War

## Grave Digger

[The story of the final battle between Arthur and Mordred. In the decisive struggle between the two men, Arthur's lance pierced Mordred's breast from beneath him, and Mordred stabbed Arthur in his breast with his sword. Mordred died and Percival brought the mortally wounded Arthur to safety]Finally their time has come

Face to face on the battlefield

The King's here to judge the deceiver

Open wounds, no riot shield

The seed of hate is bearing fruit

Grapes of wrath of evil rootBlood against blood

Black against white

Dark hanging clouds

Time's running out

Blood against blood

Mingeling stream

Fate will decide

Who has dieWar was their life

Traces of pain

All for the reign

The final warSpirit of life

Fading away

The final day

The final warThe final warThe King stabs the deceiver

His blood drips down the spear

Warning all the power-hungry

The last thing he could do

With Morgane crossing the sea

In Avalon he may find his peace
