

# Lifetime - Uncut

## Maxwell

I was reborn when I was broken  
I wouldn't believe, I wouldn't believe, no  
Been through a storm, no use in hoping  
That you would come rescue me  
Somehow your love set me free

[Chorus:]

And I, I can let my life pass me by  
Or I can get down and try  
Work it all out this lifetime  
Work it on out this time  
I can let it all pass me by  
Or I can get down and try  
Work it all out this lifetime, lifetime

There was a time when love wasn't chosen  
Now I'm just open for more  
Now I'm just reaching out for something better  
Than I had before, girl  
There ain't a bottom line in your world

Ooh and I, I can let my life pass me by  
Or I can get down and try  
Work it all out this lifetime  
Work it on out this time

I can let it all pass me by  
Or I can just try and try  
I can move to the light  
Oh if I take it one day at a time (oh I)  
Oh spread my love out and fly  
Oh I (I can move to the light)  
Ooh I can just make you understand  
That love is not a fairytale in a melody  
If you want it you can have it girl  
Maybe you will see, maybe you will see (ooh ooh)  
Ooh oh oh whoa oh  
Lifetime, lifetime

[Chorus]
