Whatever U Want

Dru Hill

Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Ooh, girl you're so fine
Can I get a minute of your time?
I wanna get to know ya
Maybe later on up in my crib
I'll get to show ya
You're blowin' my mind
You're one of a kind
Heard you like to get your freak on
So come on, let's get it on
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Girl, you're so unique
From your head to your feet
Know you've got me open

And it ain't my sack of smokes

That's got me chokin'
You got me on a high
Oh, girl I can't deny
That you keep me satisfied
Roll with me tonight
Tonight I will do
I will keep you satisfied
I will do just what you like
Tonight if you want me to
Anything you want me to
That is what I'm gonna do
Ooh, ah, ooh, ah, ooh
Give a little time and I'm a tell you what to do
Come and step up like a champ and I'm a
See if I could check for ya
Looking like a winner for my dinner
I don't even know ya
But I'm a give you the eyes
And get the numerics lyrically
You're gifted with the gab intending to pursue it
Like to get the freak on just like the song
But we got to get familiar only then we'll get it on
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
Whatever u want
Whatever you need
Anytime you want it
Girl just get up on it
