Hazardous

Maladroit

My feet move without me
All roads lead me back to you
Lights flash red to yellow
I can't control these things I do
Yeah I know I should leave
Yeah I know this is wrong
But I don't care
I don't wanna be that strong
Like poison that I just have to taste
Like an ocean that sweeps me away
Something's this good has to be
Has to be
Hazardous
Oh oh oh
Hazardous
Has to be
Hazardous
Oh oh oh
Hazardous
My heart it knows better
You pushed the dagger way to deep into me
This weak strange addiction
It's what I want not what I need
What I need
So what do you do?
When your falling face first
And you know your gunna like
the way that it hurts

Like poison that I just have to taste
Like an ocean that sweeps me away
Something's this good has to be
Has to be
Hazardous
Oh oh oh
Hazardous
Has to be
Hazardous
Oh oh oh

Hazardous
When your next to me
I can't hardly breathe
Or touch the ground
Oh my life would be much easier
without you
