

Hazardous

Maladroit

My feet move without me
All roads lead me back to you
 Lights flash red to yellow
I can't control these things I do
 Yeah I know I should leave
 Yeah I know this is wrong
 But I don't care
 I don't wanna be that strong
Like poison that I just have to taste
Like an ocean that sweeps me away
 Something's this good has to be
 Has to be
 Hazardous
 Oh oh oh
 Hazardous
 Has to be
 Hazardous
 Oh oh oh
 Hazardous
 My heart it knows better
You pushed the dagger way to deep into me
 This weak strange addiction
 It's what I want not what I need
 What I need
 So what do you do?
 When your falling face first
 And you know your gunna like
 the way that it hurts

Like poison that I just have to taste
Like an ocean that sweeps me away
 Something's this good has to be
 Has to be
 Hazardous
 Oh oh oh
 Hazardous
 Has to be
 Hazardous
 Oh oh oh

Hazardous
When your next to me
I can't hardly breathe
Or touch the ground
Oh my life would be much easier
without you
