

Never

Heart

Hey baby, I'm talking to you
Stop yourself and listen
Somethings you can never choose
Even if you try, yeah You're bangin' your head again
'Cause somebody won't let you in
One chance, one love
Your chance to let me know We can't go on
Just running away
If we stay any longer
We will surely never get away Anything you want
We can make it happen
Stand up and turn around
Never let them shoot us down Never, never, never
Never run away Hey baby you know it's true
Why you bother lying?
When you know that you want it too
Don't you dare deny me Now walk those legs right over here
Give me what I'm dying for
One chance, one love
Hold me down, never let me go We can't go on
Just running away
If we wait any longer
We will surely never get away Anything you want
We can make it happen
Stand up and turn around
Never let them shoot us down Never, never, never
Never run away Never, never, never
Never run away Hey baby, I'm talking to you
Stop yourself and listen
Somethings you can never, never choose
Even if you try, yeah You're bangin' your head again
'Cause somebody won't let you in
One chance, one love
Your chance to let me know We can't go on
Just running away
If we stay any longer
We will surely never get away Never, never
We can't go on, never
We can't go on, never Never, never

We can't go on, never
We can't go on, never
