

Back To Paradise

Reckless Love

Grab your coat, honey, grab your hat
This train is leaving and it ain't comin' back
Don't need a ticket, can't you understand
You're on your way to the promised land
It's overdue but now the time is right, yeah
It's up to you to make it real, so take me
Take me back to paradise

(Ooh)

Take me back to paradise
(Ooh) Old Saint Peter at the Pearly Gate
Said, "Hurry up boy or you're gonna be late
Take your mind off your worries for a moment or two
You gotta rock to the rhythm, it ain't hard to do"
"Cause what you see I know you're gonna like, yeah
It's up to you to make it real, so take me
Take me back paradise, oh yeah

(Paradise)

(Ooh)

Take me back to paradise, oh yeah

(Paradise)

(Ooh) Ooh when it's out of reach it's just another beach in another town

You get your feet back on the ground

You worked all your life, you ain't satisfied with a thing you've found

When will you realize it'll come around? Pack your bags baby, get your things

You never know what tomorrow brings

Mind your step and watch what you say

Before you know you'll be on your way
It's overdue but now the time is right, yeah

It's up to you to make it real, so take me

Take me back to paradise, aah

(Paradise)

(Ooh)

Take me back to paradise

(Paradise)

(Ooh) Take me back to paradise

(Paradise)

(Ooh)

Won't you take me back to paradise?

(Paradise)

(Ooh)

Oh, take me back to paradise
