Let It Rise

Midge Ure

Something in the atmosphere
tangible and crystal clear,
something in your attitude
shows me how you're great and good,Lost in your world locked in forever,
Oh let it riseLooking for your light to shine
radiate from heart and mind,
send a signal from your soul
meditate and ease control,
Lost in your world locked in forever,
Oh let it rise,
Oh let it rise
Penetrate your secret walls
drop the mask and let it fall,
hid from harm and wrapped in fear
everything you ever wanted
everything is here but you're just,Lost in your world locked in forever,
Oh let it rise,
Oh let it rise
