

Hard Hearted Hannah

Ella Fitzgerald

In old Savannah, I said Savannah
The weather there is nice and warm
The climate's of the southern brand
But here's what I don't understandThey've got a gal there, a pretty gal there
Who's colder than an arctic storm
Got a heart just like a stone
Even nice men leave her aloneThey call her, "Hard hearted Hannah"
The vamp of Savannah
The meanest gal in town
Leather is tough but Hannah's heart is tougher
She's a gal who loves to see men sufferTo tease them and thrill 'em
To torture and kill 'em
Is her delight they sayI saw her at the seashore with a great big pan
There was Hannah pourin' water on a drownin' manShe's hard hearted Hannah
The vamp of Savannah, G AThe call her, "Hard hearted Hannah"
The vamp of Savannah
The meanest gal in town
Talk of your cold refrigerating mamas
Brother she's a polar bears pajamasTo tease them and thrill 'em
To torture and kill 'em
Is her delight they sayAn evening spent with Hannah sitting on your knees
Is like travelin' through Alaska in your BVDsShe's hard hearted Hannah
The vamp of Savannah, G ACan you imagine a woman as cold as Hannah?
She's got the right name, "The vamp of Savannah"
Anytime a woman can take a great big pan
Start pourin' water on a drownin' manShe's hard hearted Hannah
The vamp of Savannah, G-AOoh, she's sweet as sour milk
