## Sizzla

Me just wanna say hail to Haile Selassie

You know, it's just redder fire  
Yeh man, we send enough stories to Babylon

Remember this  
Nothing inna Babylon nah work  
Watch the inequity have to get up and spurt  
Not even a wicked man can serve  
Rome catch a fire 'cause deh Vatican thirst  
Nothing inna Babylon can work  
Things get lock off and them a dead fi pure thirst  
Not even a wicked man can serve
