

One More Time (US Promo 12'')

The Clash

Must I get a witness? for all this misery
There's no need to, brothers everybody can see
That its one more time in the ghetto you know
 One more time if you please now
 One more time to the dying man
They say one more time if you pleaseThe old lady kicks karate
 For just a little walk down the street
 The little baby he knows kung fu
 He tries it on those he meets
'Cause its a one more time!You don't need no silicone to calculate poverty
 Watch when Watts town burns again
The bus goes to Montgomery'Cause it's a one more time in the ghetto
 One more time if you please
 One more time for the dying man
 One more time to be free
