

Kick Me

Amy Studt

A thousand times I
Questioned myself why
I admit it that you hurt me
I lost the game Why was I not in control?
I don't know, but that's the thing
Somehow you broke through my defenses
No protection from your sting (Let's play)
Oh I wanna play that game
(That game)
Where you find pleasure in my pain
(I know) 'Cause it's like wearing a sign
That says "kick me, kick me"
(Let's play)
The game you play so well
(That game) Come on and give me hell
(Hey you)
Is that the best you can do?
Ohh
(Kick me)
Ohh
(Kick me) It's not that I need you
To do what you're used to
It's just you've numbed all senses
I need to feel Some girls can only take so much
'Til they break, can't take no more
I'd rather lie, so why deny
I've been hurt by you before (Let's play)
Oh I wanna play that game
(That game)
Where you get pleasure in my pain
(I know)
'Cause it's like wearing a sign
That says, "Kick me, kick me"
(Let's play) The game you play so well
(That game)
Come on and give me hell
(Hey you)
Is that the best you can do?
Ohh

(Kick me)
Ohh
(Kick me)Let's play
(Bring it on, bring it on)
Bring it on
Bring it on
Ohh, ohh, ohh, ohh, ohhLet's play that game
You find pleasure in my pain
So kick me
Kick me(Let's play)
Oh I wanna play that game
(That game)
Where you get pleasure in my pain
(I know)
It's like wearing a sign
That says, "Kick me, kick me"
(Let's play)The game you play so well
(That game)
Come on and give me hell
(Hey you)Is that the best you can do?
Ohh
(Kick me)
Ohh
(Kick me)(Let's play)
Oh I wanna play that game
(That game)
Where you find pleasure in my pain
(I know)
It's like wearing a sign
That says, "Kick me, kick me"
(Let's play)The game you play so well
(That game)
Come on and give me hell
(Hey you)
Is that the best you can do?
I said kick me
(Kick me)
