

# I Still Get Jealous

Louis Armstrong

Dear Dolly  
I still get jealous  
When they look at you  
I may not show it, but I do  
It's more than I can bear  
When they start to stare  
'Cause they think  
You're too good to be true  
I still get jealous  
When we kiss goodnight  
Unless you hold me  
Extra tight  
And dear, I know a secret  
You didn't know I knew

I still get jealous  
'Cause it pleases you  
And dear, I know a secret  
You didn't know I knew  
I still get jealous  
'Cause it pleases you  
Mama and Dolly, I know a secret  
You didn't know, I knew  
I still get jealous, honey  
Very jealous  
I still get jealous  
'Cause it pleases you
