

When It's Time (feat. John Gallagher Jr.)

Green Day

Words get trapped in my mind
I'm sorry I don't take the time to feel the way I do
'Cause the first day you came into my life
My time ticks around you,
But then I need your voice
As a key to unlock all the love that's trapped in me
So tell me when it's time to say I love you
All I want is you
to understand
That when I take your hand, it's 'cause I want to
We are all born in a world of doubt
But there's no doubt I figured out I love you
I feel lonely for
All the losers that will never take the time to say
What's really on their mind instead they just hide away
And yet they'll never have someone like you
To guide them and help along the way
