

# Who Pumped the Wind In My Doughnut?

## Washboard Sam

Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Who pumped the wind in my doughnut?  
Down on that yamyam tree  
I wasn't there when the pump'in was done  
But so ever pumped was a pumping son of a gun!  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Who pumped the wind in my doughnut?  
Down on that yamyam tree  
I like my doughnut nice and sweet  
But everybody takes them up and down the street  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Dadadada da dada da da  
Dadadada da dada da da, Down on that yamyam tree  
I like my doughnuts nice and round  
But everybody takes the allover this town  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Dadadada da dada da da  
Dadadada da dada da da, Down on that yamyam tree  
Now my doughnuts they are hard to beat  
You eat three +++++++ you can't stand on your feet  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Dadadada da dada da da  
Dadadada da dada da da, Down on that yamyam tree  
I got doughnuts all in my house  
You eat my doughnuts  
They'll melt in your mouth  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
(Piano)  
"Talk'in"  
Now who put the wind in my doughnut?  
Sho' don't resemble me  
I don't know who did it, But.....  
Who soever did it.  
They was a .....pump'in son of a gun

Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Who pumped the wind in my doughnut?  
Down on that yamyam tree  
I wasn't there! when the pump'in was done  
But so ever pumped was a pumping son of a gun!  
Who pumped the wind in my doughnut?  
Sho' don't resemble me  
Aeh Aeh Aeh Babe  
Sho' don't resemble meeeeeeeeeeeeeeeeeeee
