Forget You

The Jerrys

What went on last night?
Was it just another stupid fight?
Will we be again
Or will we both regret this in the end?
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Consider me your friend
Until you do that stupid shit again
I believed all you told
And you left me hanging out so cold

Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
Why can't I forget you and everything you do?
It's so hard to do
