

# One Day

[Alana Davis](#)

Looking to the sky, wishing for a sun  
Lowering the high before the trip's begun  
Passing time, acting blind, taking the easy way out  
Everyday you spend wasting away  
You don't care what life's about But you will one day  
You will one day  
You'll be hurting some day  
You will one day Said, you'd be the one  
Said, you'd always be there  
But you're caring for none  
And your promises, they drift into the air Every night you want to start a fight  
Trouble's what you're made of  
You can't be tied, you can't look inside  
Don't want anyone to love But you will one day  
You will one day  
You'll be hurting some day  
You will one day Passing time and acting blind  
Taking the easy way out  
Everyday you're wasting away  
Don't care what life's about But you will one day  
You will one day  
You'll be hurting some day  
One day You will one day  
You will one day  
You'll be hurting some day  
You will one day You will one day  
One day  
You'll be hurting some day  
One day One day  
One day  
Some day  
One day One day  
One day  
Some day  
One day
