

# Ground on Down

## Ben Harper & The Innocent Criminals

I believe in a few things  
God the devil and love  
cause I've looked up from the bottom  
and I've stared down from above I have faith in a few things  
divinity and grace  
but even when I'm on my knees  
I know the devil prays and you're working your way  
from the ground on down  
I hate to say I love you  
because it means that I  
will be with you forever  
or will sadly say goodbye I love to say I hate you  
because it means that I  
will live my life happily without you  
or will sadly live a lie  
and you're working your way  
from the ground on down Life is short  
and if your lookin' for extension  
with your time  
you had best do well  
Cause there's good deeds  
and there is good intention  
they're as far apart  
as heaven and hell and you're working your way  
from the ground on down
