## Rich Man

## **Paul Brandt**

I look in the mirror
I Don't see much
Fashion sense a little out of touch
The house is run down as the bills pile up
But I'm rich manBreakfast table
Morning rush

Sometimes it seems we barely have enough
But if it's true that all you need is love
Then I'm a rich manWhen she smiles
Or they call me daddy

All the worries of the world just seem to fade away
I'm alive

And I know what matters
If this is all I ever have well that's ok,
Cause I'm a rich manSo every morning
And brand new day

With each and every single breath I take
I'm blessed and I'm thankful, yeah I've got it made
Oh, I'm so glad life turned out this wayWhen she smiles
Or they call me daddy
All the worries of the world just seem to fade away

I'm alive

And I know what matters

If this is all I ever have well that's ok,
I've loved, I've been loved, show me someone else with as much as me

When she smiles

Or they call me daddy

All the worries of the world just seem to fade away

I'm alive

And I know what matters, if this is all i ever have well thats okay
i'm proud to say
i'm a rich man
i'm a rich mani'm a rich man
ohh i'm a rich man
i've got it madeohhh i'm alive
