

Interesting Drug

Advisory - the following lyrics contain explicit language:

There are some bad people on the rise
There are some bad people on the rise
They're saving their own skins by ruining people's lives
Bad, bad people on the rise
Young married couple in debt ever felt had
Young married couple in debt ever felt had
On a government scheme designed to kill your dream
Oh mum, oh dad
Once poor, always poor
La la la la la
Interesting drug, the one that you took
Tell the truth, it really helped you
An interesting drug, the one that you took
God, it really, really helped you
You wonder why we're only half ashamed ?
Because enough is too much
And look around
Can you blame us? Can you blame us?
On a government scheme designed to kill your dream
Oh mum, oh dad
Once poor, always poor
La la la la la
Interesting drug, the one that you took
Tell the truth, it really helped you
An interesting drug, the one that you took
God, it really, really helped you
You wonder why we're only half ashamed
'Cause enough is too much
And look around
Can you blame us? Can you blame us?
