Day Is Done

John Prine

Do you like me?
Well, I hope you do
'Cause if you like me
Then I think I'm gonna have to like you tooWe'll share our things
And have some fun
Then we'll say goodbye
And go back home when the day is doneIf you tell me
I'll tell you too
And we'll say the things
And do the things that lovers doWe'll keep it to ourselves
We won't hurt no one
Then we'll say goodbye
And go back home when the day is doneWe'll carve our names
On a tree
Then we'll burn it down
So no one in the world will seeAnd we'll make love
While we watch the flame
Then we'll walk away
As if we never had no shameNow we must hide
To be alone
And we can't say
Our sweet things on the telephoneIf we can't stop
What we've begun
We should say goodbye
And go back home when the day is doneDo you still like me?
Well, I hope you do
'Cause if you still like me
Then I think I'm gonna have to still like youWe shared our things
And had some fun
Now we'll say goodbye
And go back home when the day is doneYeah, we'll say goodbye
And go back home while
We still have one
Let's say goodbye and go back home
Now the day is done
