Show Your Light

Stereo MC's

Heaven help us all
We dont know what to believe no moreDid they bless us all to control our lives
Is the joke on us theres none (?)
This light of ours dont shine so bright
Faiths all gone, hopes out of sightGood LORD dont make us look foolish
Show YOUR lightShow YOUR lightThe preacher stuck a steeple in my arm as a child
Dipped me in the tap water from the reservoir
To cleanse my soul or to wash my brain
He still was playin chess with guns and bombs in YOUR name
This light of ours dont shine so bright
Faiths all gone, hopes out of sightGood LORD dont make us look foolish
Show YOUR lightGood LORD dont make us look foolish
Show YOUR light
Show YOUR light
Show YOUR light(talk/rap)
Heaven help us, hear our pain
The conflict, peace talks, the cocaine shame
Unmarked graves bearing YOUR name
As well get richer, the poor get slain
Sitting in the blues and the news dont change
The sun still shine and the rain still rain
Broke and insane within the mainframe
Wont somebody stop the train?
Armed for the with (?) the dollars to (?)
Worship the peace that takes life away
Tryin to shine but its all in vain
But my butt was blown (?)
Im in the dark again
Answer meGood LORD dont make us look foolish
Show YOUR light
