

You Remind Me

Mary J. Blige

You remind me, yeah
You remind me of such sweet memories
Ooh I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me?
I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me? You, you remind me of a love that I once knew
Is it a dream or is it deja vu?
I just had to let you know so I had to sing it
'Cause for you, boy I don't know The way you walk and
The way you talk and
The way you move and
You remind me, yes you do Of the way you dress and
The way you dance and
You really like to groove it
You remind me
You remind me, yeah I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me?
I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me? You, you remind me of a memory
And this is something you should know
Sweet baby, darlin', c'mon just stop playin' with my mind
'Cause for you, boy, I don't know The way you walk and
The way you talk and
You really like to move and The way you dress and
The way you dance and
You really like to groove it
You remind me
You remind me I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me?
I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me? The way you walk and
The way you talk and
The way you move it

You remind me, yes you do
The way you dress and
The way you dance and
You really like to groove it
You remind me
You remind me I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me?
I saw you before, baby
It's a deja vu, honey
Don't you know that you remind me?
I saw you, I saw you before, baby
