The Saga Continues

Jagged Edge

Yeah, uh huh
(Hmm)
We back man!
(Oh)
I feel sorry for all you men who about to come out
(Can't stop we're coming again)
It's over!
(Think we can't do it again)
It's over dawg!
(All we know is how to win)
Know what I mean?
(The saga must continue, oh)
Ha ha! Jagged Edge man!
(Can't stop we're coming again)
(Think we can't do it again)
Y'all 'bout to feel the wrath on Jagged Little Thrill man
(All we know is how to win)
Know what I mean?
(The saga must continue, oh)
Brian, Brandon, Kyle, Wingo, heh
It's about to go down man
It's about to go down!
