

Heard 'Em Say (ft. Adam Levine Of Maroon 5)

Kanye West

(Mr. West) Uh, yeah, uh, yeah, uh, yeah, uh, yeah And I heard 'em say, nothin' ever promised tomorrow today

From the Chi, like Tim its the Hard-a-way
So this is in the name of love, like a rob would say

Before you ask me to get a job today,

Can I at least get a raise on a minimum wage?

And I know the Government administered AIDS

So I guess we just pray like the minister say

Allah O'Akbar and throw 'em some hot cars

Things we seen on the screen are not ours

But these niggas from the hood so these dreams not far

Where I'm from, the dope boys is the rock stars

But they can't cop cars without seein' cop cars

I guess they want us all behind bars, I know it Uh, and I heard 'em say, nothin' ever promised tomorrow today

And I heard 'em say, (Nothin' ever promised tomorrow today) but we'll find a way

(And nothing lasts forever but be honest babe, it hurts but it may be the only way) They say people in your life
are seasons

And anything that happen is for a reason

And niggas guns a clappin' and keep to squeezin'

And Gran' keep prayin' and keep believin'

And Jesus, one day that ya see him

Till they walk in his footsteps and try to be him

The devil is alive I feel him breathin'

Claimin' money is the key so keep on dreamin'

And put those lottery tickets just to tease us

My aunt Pam can't put those cigarettes down

Now my 'lil cousin smokin' those cigarettes now

His job trying to claim that he too niggas-ish now

Is it 'cause his skin blacker than licorice now?

I can't figure it out, I'm stickin' around Uh, and I heard 'em say, nothin' ever promised tomorrow today

And I heard 'em say, (Nothin' ever promised tomorrow today) but we'll find a way

(And nothing lasts forever but be honest babe, it hurts but it may be the only way) Cause every worthless word
we got more far away,

And nothing's ever promised tomorrow today,

And nothing lasts forever but be honest babe,

It hurts but it may be the only way
