

Mass

J.D. Allen

It's really more than I can say
 Lookin' at this tower
Angels are off duty and asleep
 In these wee hours
And there's no place I can go
And this noise inside my head
 It comes and it goes
 It comes and it goes
There's really nothing you can stop
 So I guess I'm gonna try
 Climbing up this tower
 Walking up the stones
 Stocking feet, to the clock
This is one place that I know
And the face in front of me
 It comes and it goes
 It comes and it goes
 Not some lucky charm
 But something to hold onto
 That could hold onto me
And there's no place I can go
And this noise inside my head
 It comes and it goes
 It comes and it goes
 It comes and it goes
