Stealin' Corn

Merle Haggard & The Strangers

[instrumental] **********
You know we got a real talented group here
We're gonna anyway Bobby wrote me a song especially for this album
This is kind of a comedy song we wanna do
And if ya'll think it 's funny laugh it's about a service station attendant
You write song about truck drivers and all the engineers you know and what not
But I never heard one about a service station attendant before and I thought it was funny
It's called Harold's Super Service and it goes like this right here
One two three four
